## ADMISSION TO Ph.D. PROGRAMMES 2024-2025 (January Session)

National Institute of Technology Puducherry (NITPY) offers research programme leading to the award of Doctor of Philosophy (Ph.D). degree. The Ph.D. programme is broad based and involves course credits requirement and a research Thesis. The institute also encourages research in interdisciplinary areas through a system of joint supervision and provides excellent opportunities for such programs. The institute undertakes sponsored research and development projects from industries and other organizations of the public as well as private sectors. The degree of Ph.D. is granted for research work in the areas recognized by the academic departments of the institute subject to satisfying the conditions given in the regulations.

The research work shall be an original work characterized either by the discovery of facts, or by a fresh approach towards the interpretation and application of facts, or development of equipment making a distinct advancement in science & technology. It shall evince the scholar's capacity for critical examination and sound judgment, and shall represent original contribution to the existing knowledge.

The degree of Ph.D. of the National Institute of Technology Puducherry shall be conferred on a scholar who fulfills all the requirements specified in the regulations. The degree of Ph.D. will be awarded on the topic of his/her work.

## 3. RESEARCH AREAS

3.1 The applications are invited only for the Research areas of different departments under **FULL-TIME INSTITUTE FELLOWSHIP** as shown in TABLE 1

TABLE 1

S. No.	Departments	Research Area
1.	Chemistry	Organic/inorganic/Physical/Analytical Chemistry, Green chemistry, organometallic chemistry and coordination chemistry
2.	Civil Engineering	Environmental Engineering and Waste to Energy, Structural Engineering
3.	Computer Science and Engineering	Artificial Intelligence, Deep Learning, Large Language Models, Bioinformatics, Internet of Things and Cybersecurity

4.	Electronics and Communication Engineering	Remote Sensing, Image Processing, Machine Learning and Deep Learning, 5G and beyond Wireless communication, Physical Layer algorithms, UAV communication
5.	Electrical and Electronics Engineering	Control systems, Smart grid systems, Electric vehicles, renewable energy systems, High Voltage Engineering
6.	Mathematics	Fluid Dynamics, Numerical Analysis
7.	Mechanical Engineering	Welding, Fluid Mechanics/Computational Fluid Dynamics
8.	Physics	Electrolyte and electrode Materials for Energy storage, 2D Materials

3.2 NIT Puducherry also invites the application for Full-Time (UGC- NET fellowship) category in the following research areas from the following departments:

S. No.	Department	Research Area
1.	Mathematics (UGC-NET FELLOWSHIP)	Differential Equations, Fluid Dynamic, Mathematical Theory of Control, Numerical Analysis, Operations Research
2.	Humanities and Social Sciences (UGC-NET FELLOWSHIP)	English Language Teaching, English for Specific Purposes, Literary & Cultural Studies, Film Studies, Indian literary traditions
3.	Physics (UGC-NET FELLOWSHIP)	Electrolyte and electrode Materials for Energy storage, 2D Materials
4.	Chemistry (UGC-NET FELLOWSHIP)	Organic/inorganic/Physical/Analytical Chemistry, Green chemistry, organometallic chemistry and coordination chemistry

3.3 NIT Puducherry also invites the application for PART-TIME category in all therelevant research areas in following departments:

1. Department of Chemistry
2. Department of Computer Science and Engineering
3. Department of Civil Engineering
4. Department of Electronics and Communication Engineering
5. Department of Electrical and Electronics Engineering
6. Department of Humanities and Social Sciences
7. Department of Mathematics
8. Department of Mechanical Engineering
9. Department of Physics

#### 4. SELECTION PROCEDURE

Eligible candidates recommended by the Departmental Selection Committee from the received applications will be screened through a written test and interview by the Departmental Selection Committee with the Dean (Academic) or Dean (Academic) nominee as observer. Both Full Time and Part Time candidates will have a common written test.
